**Significance:** Building 139 was utilized as a riggers'  
storehouse. As a Category Type 3 structure, it  
has been determined that Building 139 functioned  
as part of the Pearl Harbor Naval Base but is only  
of minor importance to the historic character of  
the National Historic Landmark.

**Description:** The building was constructed as a single-story  
concrete storage. The overall dimensions of the  
building are 38 feet by 32 feet by 19 feet.

**History:** The building was constructed at a cost of \$8,720  
in 1937 as a storage facility. The building was  
utilized as a riggers' storehouse and office.  
Alterations to the building were made in 1993 to  
utilize the space as a production office facility.
